Welcome to Avila

A MESSAGE FROM THE ATHLETIC DIRECTOR

Welcome to Avila University for another exciting season of Eagle Athletics.

I, along with all members of the Avila Athletic department, want to thank you for your support of our programs and students. The opportunities that athletics gives our student-athletes are countless, and we are happy to provide them for their overall growth as an individual.

Athletics began at Avila in 1974 with an intercollegiate Men's Basketball program. That single program evolved into an athletic department that today is proud to sponsor and support 12 varsity level teams.

Athletically we sponsor and support a variety of co-curricular activities for our students that include men's baseball, basketball, football, and soccer. On the women's side we sponsor basketball, golf, soccer, softball, and volleyball. In addition to these ten sports we sponsor and support a competitive Dance team and Cheer Squad.

Avila University is proud to have the distinction of being the only liberal arts institution in Kansas City, Missouri that competes at the NAIA level. We are proud of our accomplishments and history and are looking forward to our continued growth and development as a department.

Thank you for your interest in Avila Athletics and I look forward to seeing you at many more events this year. GO EAGLES!

Sincerely,

Mike Sharpe
Director of Athletics

A MESSAGE FROM THE PRESIDENT

SENIOR TREVOR STANCIL (KANSAS CITY, MO) SET AN NAIA RECORD IN 2004 AS HE SAVED 18 GAMES FOR THE EAGLES.

The Avila University baseball team will look to continue a strong tradition of success as the 2005 season begins. The Eagles have won the last two Heart of America Conference Championships and are considered one of the top college baseball programs in the Midwest.

Head Coach Ryan Howard enters his 4th season with an 87-59-2 overall record. Since 2003, his Eagle squads have a .678 winning percentage and have regularly been ranked in the National Association of Intercollegiate Athletics baseball poll. The 2005 version of the Eagles will look to senior infielders Clint Honeycutt and Phil Budig, along with senior relief pitchers Trevor Stancil and Alfredo Avila, as well as senior starting pitcher Aaron Fox to lead the team.

Honeycutt, a native of Somersett, CA, was one of the top Eagle performers and one of the HAAC's best players as he hit .350 with 4 home runs (including 2 grand slams) before suffering a season-ending leg injury. He returns at third base with hopes of a successful senior season and a call on Major League Baseball's Annual Draft Day. Budig, a native of Fullerton, CA is one of the anchors of the Eagle defense at the catcher position. He has caught 95 games in his Avila career and provides the Eagles with the important qualities of leadership and game savvy.

Stancil, a native of Kansas City, set the NAIA national record for saves

with 18 last year and will once again man the closer position. He will be joined in the bullpen by Avila (Los Angeles, CA) who allowed just 1 earned run during conference play.

Fox, a native of West Covina, CA, posted a 3.97 ERA last season as a starter and led the Eagles to 2 playoff wins with complete game performances. He will lead a pitching staff that is young, but talented.

Joining him will be freshman Michael Woodfin (Eugene, OR) and transfer Wes Backes (Tehachapi, CA). Both pitchers arrive at Avila with great velocity and movement on their pitches and will be counted upon heavily.

Junior Kevin Gray (Belton, MO) will see regular action at the shortstop position and Brad Davidson (Blue Springs, MO) will join newcomers Aaron Purdum (Centerville, IA), David Parker (San Francisco, CA), and Derik Easttom (Bakersfield, CA) in a battle for outfield spots this season. Davidson, strong defensive player with great speed, looks to build upon a strong freshman campaign that included a .340 batting average and 6 home runs. At 6'3 and 215 pounds, newcomer Jeff Earnest (Bakersfield, CA) brings power to the Eagle lineup and will compete for time at first base and as the designated hitter.

Howard, who won honors as the 2004 HAAC Coach of the year, will be joined on the bench by a strong staff of assistants including pitching coach Tom Miller, outfield coach Mike Hayes, hitting coach Bobby Wolfe, and recruiting coordinator Josh Key. Miller, who enters his third season with Howard, pitched at the Triple A level in the San Francisco Giants organization. Wolfe enters his second season as an assistant after playing under Howard at Avila.

While the Eagles will once again be considered one of the frontrunners in the tough Heart of America Conference, they will face stiff challenges from a number of schools as they attempt to repeat as Conference Champions. For the Eagles to be successful, they must quickly mature and grow. According to Coach Howard, Benedictine College, William Jewell, and Culver-Stockton will all battle the Eagles for a spot atop of the conference race. He comments, "We lost a lot of experience from last year's team, especially in the field. Only two position players have extensive college playing experience. Our pitching staff should be strong and can hopefully carry us as our newcomers adjust to the college game."

RYAN HOWARD, who has quickly asserted himself as one of the top young coaches in college baseball, enters his fourth season at the helm of the Avila University baseball program. Howard was named the Heart of America Conference Coach of the Year in 2004 as the Eagles won their second straight HAAC Championship. Under his direction, the Eagles have compiled an impressive 87-59-2 record and have become regular members of the NAIA National Baseball Poll.

Prior to assuming his duties as head coach, Howard spent three seasons as an assistant here at Avila. He also spent 2 successful seasons at Avila as a player. Howard began his baseball career at Hughson High School in California where he was a four-year standout player. He then played one season at Porterville Junior College (CA) before transferring to Bakersfield Junior College. While at Bakersfield, Howard earned a Gold Glove Award and was named an All-Conference player.

Following his career at Avila, Howard was selected to play in Holland with the USA Athletes International team.

The son of Rick and Debbie Howard of Denair, CA., Coach Howard and his wife Becky, an Avila alum and former softball player, reside in Greenwood, MO.

JUNIOR ANGIE FAWKS (RICHMOND, MO) LOOKS TO HELP THE EAGLES CONTEND FOR THE HEART OF AMERICA CONFERENCE TITLE IN 2005.

The Eagles enter the 2005 campaign looking to improve upon last season's 19-21 record. Third year head coach Steve Keel will rely on a solid group of returnees to blend with a strong recruiting class and make the upcoming season a successful one for the Eagles.

Several starters return for the Eagles from the 2004 season. Sophomores Stephanie Johnson at first base (Battlefield, MO) and Jill Hainey at third base (Raymore, MO) will anchor the corners of the infield. They will be joined by fellow sophomore Kourtney Nigh (Kearney, MO) at second base and fresh-

man Alyshia Smith (Everett, WA) at shortstop. Transfer Jamie Spenard (Soph. Shoreline, WA) will assume the catching duties while the pitching load will be shared by sophomore Heidi Heric (Shoreline, WA) and freshman Alysha Correa (Raymore, MO).

Keel expects the outfield to be a strength of the Eagle team as returnees Ashley Vogt (Jr. Urich, MO) and Angie Fawks (Jr. Richmond, MO) will be joined by newcomers in Kara Lackner (Jr. Basehor, KS), Terra Nichols (Soph. Linwood, KS), and Kristi Bredehoeft (Fr. Concordia, MO).

Pitcher Alysha Correa will see time in the outfield as well. Nicole Weir (Fr. House Springs, MO), Kelly Gray (Soph. Blue Springs, MO), and Kara Noland (Fr. Garden City, MO) will provide depth for the Eagles.

Coach Keel believes that the Eagles have made significant improvements in all facets of the game. He remarks, "We are a very young, but talented team. I'm looking forward to the season and feel that we will compete very well."

The Eagles hope to challenge Evangel, Mid America Nazarene, Culver Stockton, Central Methodist, and Baker for a spot at the top of the Heart of America Conference. They open their season on February 27th at home against Park University. They will travel to Myrtle Beach, SC, for their annual spring break trip March 19th through the 25th.

STEVE KEEL enters his third season as the head coach of the Avila softball program. Keel previously served as the Eagles assistant coach for two seasons. A Kansas City native, Keel is a 1967 graduate of Park Hill High School. He received his bachelor's degree in marketing from the University of Missouri-Columbia in 1971. Prior to coming to Avila, Keel spent ten summers coaching competitive club softball. He has also seen action behind the plate, serving as a baseball and softball umpire. In his spare time, Keel is an avid snow skier and an active member of Grace United Methodist Church.

Steve and his wife Nancy have one daughter, Sarah.

THE AVILA UNIVERSITY WOMEN'S GOLF PROGRAM ENTERS ITS SECOND YEAR OF EXISTENCE IN 2005.

The sport of women's golf returns to Avila University for its second season under head coach Jerry Krause. Following an extensive fall season where the Eagles played 12 matches, they will compete in five matches during their spring season. The squad consists of six golfers and is led by returning players, Jamie Blake (Jr. Raytown, MO), Apryl Figgs (Soph. Topeka, KS), Cindy Hung (Soph. Independence, MO) and Christi Morris (Soph. According to Coach Krause, "Our team is a young team that has been working hard and improving every day. They have taken some major steps in adjusting and improving their swings and should compete well this spring. As long as the weather cooperates, it should be an exciting year for the Avila golf program."

Avila University is a dynamic, Catholic, four-year liberal arts and preprofessional university, sponsored and founded by the Sisters of St. Joseph of Carondelet. The University offers a broad range of studies—from business to corporate communication and allied health, just to name a few. Avila offers nearly 40 undergraduate degree programs and four graduate degree programs, many of which were the first of their kind in the Kansas City area.

For example, Avila was the first college in the Kansas City area to offer programs in nursing, gerontology, and social work. Avila was also the first—and currently only—four year Kansas City college to offer a paralegal program approved by the American Bar Association. Avila is one of only 23 colleges and universities in the entire country that offers a four - year degree in radiologic technology. Avila also offers the only accredited bachelor's degree in social work in the Kansas City area.

Come visit the campus at 119th and Wornall Road in suburban south Kansas City and discover even more surprises about Avila University!

Avila's Dr. Fred Geer Academic Cups are awarded annually to the top academic performers among male and female AU athletes.
